Working with **ClimatePartner** we have started our journey to lowering our carbon footprint; creating environmentally conscious, yet elevated bathroom experiences. We have measured our emissions and will transparently adapt and evolve our processes to effectively decrease our impact on the planet.

14

Every product within the Clearwater Interiors collection has been awarded the ClimatePartner Certified label, giving transparent and clear verification on how we measure, reduce, and contribute at a product level. Each product has a label like the one below, which you can scan to see our current actions and future commitments.

This lookbook is printed on paper made from 100% post-consumer recycled waste.
